If I was an ocelot

I would be seeking prey.

If I was an ocelot

You would never see me play!

If I was an ocelot

I would sleep by day.

If I was an ocelot

I would have beautiful spots.

If I was an ocelot

I would be eating rodents a lot!

If I was an ocelot

I would have round ears.

If I was an ocelot

I would hear you coming near.

Take a picture or two, if you see me

But please, don't come near me!

I'm a cat, and can be kind.

I'm also becoming one of a kind.
