

Name: Anthony Flowers

4<sup>th</sup> Grade

I observed yellow, red flowers blooming on big sage bushes.

I observed green, yellow big and small leaves on a Palo Verde.

I observed big and small rocks, some were smooth and some rough.

I observed red and black ants by a Mesquite tree crawling on the roots.

I observed bees and humming birds.

I hear leaves crunching under peoples feet .

I hear big trees moving all around with the wind.

I hear birds singing.

I hear the wind whistling everywhere .
