

The Sonoran Desert

The desert is my home
The desert is the animals home too
The desert is where the animals roam.

The desert is nice
The desert has some spice.

The desert can bring many surprises
New surprises waiting for you
Old surprise waiting for you.

The desert is cool
It is not cold
It is hot though.

When you go to the desert what will happen
Do not be scared of the desert
Enjoy the nature of the desert.

Go to the desert
Things are waiting for you
What will you discover in the desert
Let's go see!
